Labor

- $210/hr per person with $420 labor minimum per visit (includes drive time)
- Snow Staking is billed at $100 per hour per person.

Equipment

- $80/hr for equipment used (snow plow, de-icer truck, snow blower, etc.) with $160 minimum per visit
- $45/bag of granular ice melt applied
- $6/gal of liquid ice melt applied
- $28/yard of cinder applied
- $3.25/stake

Options

- **Zero Tolerance** - Automatic deploy service for all snow and ice events. We deploy when temperatures are at or below freezing and again at the first sign of accumulation. ***Includes priority dispatch, 24-hour post-storm cleanup, and 10% off all snow & ice visits all season.***

- **3" Accumulation** - Automatic deploy when snow accumulation hits a minimum of 3". If timing is critical, we recommend Plan 1 (Zero Tolerance).
  - **Optional Pre-Treatment Add-on** - Deployed at 32°F and below to apply de-icer or cinder, reducing risks from freezing rain, ice, or fog. Pre-treatment is recommended for the most complete snow and ice protection. Zero Tolerance customers are automatically enrolled.
